If the student's refusal was incorrect, the student will be encouraged to submit an application for administrative review or if in-country to appeal against the refusal. If the student wishes to receive a new CAS for a second application, the student's case will be reviewed on a case by case basis. If we feel that the student could succeed when applying a second time, a new CAS may be issued.

8.1 REPORTING REFUSALS ON THE SMS

We are required to report students that fail to enrol regardless of the reason or evidence received. If we do not have evidence that the application has been refused, then the report should be made that the student has failed to enrol and that the outcome of the application is Unknown.
